

Castaway Ministries

Voice of the Broken

castawayministries.org

- **We commit** to share the gospel of Jesus Christ in the U.S. and abroad.
- **We believe** that the sin of a prostitute is as forgivable as the sin of a church leader.
- **We focus** on those on the fringes of society (ex. those living a homosexual lifestyle), those who feel that no one loves them and perhaps they have committed the unpardonable sin- “Castaways”.
- Our missionary ministers face-to-face to the lost in the “**10/40 window**” (most unreached people on earth).

Available for speaking engagements by free will offering:
